## Experience

### Navigate Wellbeing Solutions Intern | Jun 2019 – Present

Developed a variety of in-house designs including wall graphics, logos, letterheads, and a website, with the marketing team. Managed multiple tasks at a time and worked collaboratively to complete projects and meet deadlines.

### Iowa Culinary Institute Intern | Jan 2019 – Mar 2019

Designed the Iowa Culinary Institute Spring term booklet which gave insight on the Culinary program at Des Moines Area Community College. The booklet involved, layout design, photo editing, organizing large amounts of text, and multiple quality checks with an editor.

### United Way Independent Designer | Dec 2018 – Jan 2019

Collaboratively designed the Skills2Compete 2019 report. Created multiple spreads, page layouts, charts and infographics for the report.

### Waukee APEX Intern | Aug 2018 – Dec 2019

Directly responsible for the overall design of highly collaborative publications and projects exhibited, in various media, by the APEX program while serving as a mentor to students in the development of their personal brand and skills.
